

As Trustee on the Irvine Unified School Board and past President, I have put students first in every decision. It is my priority to continue improving the quality of education to promote student success while demanding sound fiscal management.

If you re-elect me to the Irvine School Board I will strive to continue our accomplishments supporting our World-Class Schools:

- High schools ranked among America's best.
- Top SAT scores in Orange County.
- Nationally award winning programs in STEM, Music, and Art.
- Safe facilities/optimal student learning environment.
- Innovation and collaboration.

I have served the Irvine community for 20 years as:

- PTA President.
- School Site Councilmember.
- Irvine Public Schools Foundation Boardmember.
- Irvine Children's Fund Boardmember.
- School leadership positions at the County and State level.

My husband and I have lived in Irvine for 30 years and our two children graduated from Irvine schools.

I want to use my experience as a Boardmember, Educator, Businesswoman, and Volunteer to continue service to our community on the Irvine School Board

I have the support of:

- All current Irvine Unified School Boardmembers.
- The Irvine Teachers Association.
- Irvine teachers, parents, business leaders, and taxpayers.
